

**The Canada Song (up 4 to B, finger in G) 90bpm ©2012 by Dave Hadfield**

**Canada... what's with Canada... G C**

**We got great big cities but a lot of trees and rocks G C**

**And yes the winter's cold here – wear two pairs of socks G C**

**There's half the world's fresh water, to paddle your canoe G C**

**Camp along the shoreline, it's what we like to do. G C**

**In Canada... *[each time]***

**Livin in**

**Float my boat in**

**Bait my hook in**

**We tend to do things different, we each have our routine**

**Some of us eat kubassa, some of us, poutine**

**But we have traditions, that help us stick together**

**Our milk comes in a bag, mosquitos eat at leisure.**

**Playing in a snowsuit, true north strong and free Em Bm**

**Hockey Night on Saturday, there on CBC, Am D**

**Center ice in**

**He shoots he scores in**

**A player in**

**We pronounce the letter R like we're pirates on a ship**

**We'll drive two thousand miles, on a summer camping trip.**

**We wear Sorels in winter, while plugging in the car**

**We eat the holes from donuts, we love Nanaimo bars.**

**And we do possess a word that lubricates our speech:**

**...“It's pretty good, eh” ...**

**and it's always within reach,**

**How's it goin in**

**Out and about in**

**Drop your G in**

*I've slept out in the forest, scared I heard a bear. C D*  
*I've climbed a Rocky Mountain, just because it's there, C D*  
*Crossed the great St Lawrence, said merci beaucoup, C D*  
*Pardon me; I'm sorry; excuse me; after you, Am[walk up] D*  
**Politely in**  
**Line-up here in**  
**You don't butt in,**  
**in Canada**

**Every city empties on the 24<sup>th</sup> of May.**  
**If we say "Not bad!", we're better than OK,**  
**There's workman's comp and pogie, for when we're shown the**  
**door.**  
**There's Canadian Tire money, in at least one kitchen drawer**  
**And we have a golden rule that runs between these shores:**  
**You stay out of my face, I'll stay out of yours...**

**I Get along in**  
**Kissed the cod in**

**The Friendly Giant's in**

**Oh..... Canada... [end]**
